Minutes of Cronulla RSL Swimming Club 2025 AGM

75th AGM 11TH SEPTEMBER 2025

MEETING OPENED – 7:30pm

Chairman President – Steve Harper (LM)

Apologies B Bertram, W Scicluna, C Daly, B Daly,
J Gibson, G Conway, P Rugg, E Whitcombe, J Brown, S Brown, G Prowse, A Picone, J Ground, L
Lodge, G Long.
And attendance as per book.

President Address:

Welcome to members, life members, & our memorial board members that are in attendance.
As not to prolong this meeting I would like to refer all members to my report in the 75th Annual report
in which I praise all members for their ongoing contributions throughout 2024/25 season it was a
successful year. I do highlight the ongoing strong support we have received from the memorial club &
its directors. Equally I acknowledge our outgoing committee, they worked tirelessly to ensure
everything went according to plan and of course all members chipping in to round off a year of success.
This our 75th anniversary year AGM this should not take too long this evening as we have received
zero questions & zero motions of change.
The camaraderie throughout this year has been terrific so we should all be very proud of each other & I
thank you all for your attendance this evening.

Acceptance of the minutes of the 74th AGM

Seconded L Woodland

Any Business arising – Nil

Corresponding In/Out – Nil

Moving on to 75th Annual Finance Report: John Hennessy to present

Appreciation to John & thanks to our auditor Geoff Armstrong

Adopted A Picone

Seconded G Williams

There being no notice of motion – The constitution & by laws remain unchanged for the following
year.

We now come to the changing of the guard so to speak- however prior to this I would like to thank
deputy president Ann Wood for having my back during my absence & John Hennessy (LM) our
treasurer & publicity officer whose tireless work has kept us up to speed with all that has been relevant
to our club.

Our patron Paul Cavanagh (LM) who stepped in at the last moment to take on the unwanted position of
club secretary this past year. We know there are members within our club that have the capabilities and
whilst they may feel comfortable with the person that is looking after a certain role, it would be great to
understand there was someone in the wings waiting to assist should it be required. So don't be shy in
having a go. This is your club, our club & whilst we evolve, change is inevitable, regardless of whether
we introduce change or it comes from somewhere else. In other words, our comfort maybe disrupted as

2026 ANNUAL REPORT

we have experienced & will in the future. We may & possibly will experience changes to our clubhouse down at the bay via council intervention. These are all changes that are inevitable so we need to be ready & to be ready we need our members to stand up & assist to ensure we maintain our 75-year heritage for the betterment of members health & enjoyment.

All committee positions were declared vacant and a new committee for the season 2025/26 was elected with John Hennessy the new president.

Urgent general business: nil.

Meeting closed at 7.45pm

2026 ANNUAL REPORT

President's Report

Another year passed and the club continues to function in a great manner. At our club we have a multitude of swimming options:

- Sunday meetings at the bay in Summer
- Greys 2 days a week at the bay in Summer
- RSL Sharks Tuesday night all year round in an indoor pool
- Swimming at the beach on Sundays during Winter
- Greys 2 days a week at the beach during Winter

I am not aware of any clubs that provide such a range of swimming options for swimmers of all levels. This is underpinned by great friendships and social engagement amongst our members which make it more than a place to swim. It is a key component of many members lives where swimming provides the great physical benefits, but also a boost to our mental health.

Besides swimming at internal club meetings we have had the following additional events:

- Annual swim meet with Woollooware High School student council
- A trip to Bulli for a winter swim meet
- A trip to Mahon Pool at Maroubra for a winter swim
- A trip to Coogee's Wylies baths to swim with Coogee Diggers Swimming Club
- A trip to Heffron Park to swim in the Winter Weakies Carnival for the first time
- A visit from the Floating Flamingos from Wollongong to swim on a Sunday
- A swim at the Kurranulla Life Members Carnival at the Cronulla Pavilion
- Hosted the Shark Shield Carnival at the Cronulla Pavilion
- Hosted the Annual Diggers Shield Carnival at the bay
- Had a winter swim at Silver Beach Kurnell
- Attended a meeting with the Maroubra Seals
- Attended a carnival at Castle Hill RSL
- Attended the annual AIF Swimming Association Carnival at Nelson Bay – a national carnival.

On top of these scheduled events many of our members swim together daily at the bay or the beach enjoying the swimming lifestyle and solving various burning world issues over a hot drink afterwards. Not a bad list of options for a keen swimmer to participate in.

The heart and soul of the club is the contributions of members to the running of these events, sacrificing personal time and effort to make it all work.

2026 ANNUAL REPORT

Starters, timekeepers, race secretaries, recorders, cooks, arranging furniture then repacking it, ordering food and drinks, social media updates, welfare checks on members, merchandise purchasing and sales, money collection, banking and maintaining finance records, maintenance of clubhouse facilities, deploying lane ropes and we could keep going on.

Thanks to all of our members who have made the extra effort to make this place work through your extraordinary talents and contributions.

Thanks to our committee members who have shown ongoing enthusiasm to the demands of the role.

A special congratulations to Brian Havilah who at 91 years of age, competed and finished the 1k swim at the Cronulla Surf Club Sharks Island swim. Brian provides a lot of inspiration to the rest of us with his continued participation with our club.

We look forward to the club's ongoing development and continuing friendships.

Our thanks to the Cronulla RSL Memorial Club for their support.

Audit Report

CRONULLA RSL SWIMMING CLUB

AUDIT CERTIFICATE

I hereby certify that I have examined the financial books and supporting records of the Cronulla RSL Swimming Club for the year ended 30 June 2026. In my opinion, the financial position of the Club is shown accurately and is correctly summarised in the attached Statement of Income and Expenses. The bank balance of \$3,578.73 as at 30 June 2026 has been verified.

I commend the record-keepers on the accuracy and order of the Club's financial records, and the timeliness of completion of the reports.

M Barlow

Honorary Auditor

2026 ANNUAL REPORT

Captain's Report

Hi everyone and firstly, a big thank you for another enjoyable summer season at the Bay. It's been a season with few interruptions that saw us complete almost all of our scheduled Sunday swims with fair skies and good attendance numbers.

Our AIF Carnival at Nelson Bay was a great weekend event with a strong contingent from our combined swim groups. While we didn't enjoy the same success as last year, there was some enthusiastic swims from all that attended. This of course included huge efforts from Brian Havilah and John Butterfield, our two most senior members, with Butts retaining his championship title once again.

The weather gods were kind to us for the annual Digger's Shield carnival, where we were lucky enough to have teams from all over, to battle it out. Our members were there in force to participate and help with all facets of organisation, from Kylie's expert raffle ticket sales to Eric and Jenny's ever popular BBQ.

Kurranulla Life Members displayed their renowned talent for relay swimming, taking out the Shield on the night.

Our many social functions were well attended and enjoyed by all, thanks to Peter and Cheryl and our Kurnell duo, Carol and Bernard, there'll be more to come in the following months, as well as some winter away swims to look forward to.

Hopefully you all enjoyed the Presentation Day lunch at the RSL Club, thanks to the committee for a well run event. Good to see strong numbers for the winter beach swims and weeknight swims at the Complex, good practice for the upcoming summer season at the Bay, I hope to see your smiling faces down there in October, all ready for another great year of swimming.

Lisa Hedge

2026 ANNUAL REPORT

Relay Report

Ian Bourke Memorial Team Relay – 2026 Report

This year's event progressed through nineteen (19) Sundays of the 2025-26 summer season with five teams competing fiercely to win the annual trophy and the embroidered club jackets as the ultimate reward, not to mention bragging rights.

The five teams, their team Captains and eventual placings and points achieved were as follows:

1st Place – Sea Horses – Peter Poppett (Capt.) – 68.5 points.

2nd Place – Stingrays – Kylie Mulholland (Capt.) – 59 points.

3rd Place – Sharks – Steve Harper (Capt.) – 57.5 points.

4th Place – Dolphins – Gordon Williams (Capt.) – 52 points.

5th Place – Seals – Sandy Picone (Capt.) – 47 points.

Congratulations to the Sea Horses team on their result; Peter Poppett (c), Ann Wood (vc), John Hennessy, Sandy Curan, Maureen Crowther, Lizzy Lodge, David Ritchie, Elizabeth Whitcombe, Corinne Pye and Alan Barry.

Our thanks go to the abovementioned team Captains for their cooperation and support. Their contribution towards a successful relay year is always vital and we appreciated their backing.

The past season in review, the competitive was fierce but fair. The debate re handicap start versus “GO” start continued. Undoubtedly a “GO” start is the simpler method and it limits the option to “fox” a race result. However, the handicap start, where in theory all five teams should arrive at the finish line at a similar time, this provides for some theatre at the finish. The year just gone by we decided to use each start process in turn where practical. The debate will continue.

While satisfied that the annual relay event the year just gone was successful in most aspects, the year wasn't without its challenges. Subject to our re-election at the AGM we will review the team selection process. Also, we will work on the time keeping / race start process to reduce human error.

2026 ANNUAL REPORT

RSL Sharks

Another successful swimming year was enjoyed by the Tuesday night RSL Sharks group having just entered our 58th year of social swimming at the Cronulla Complex.

While our attendance numbers were a little below our previous year, a core group of members continue to patronise the club virtually every week. The pool conditions are excellent and caters for all weather conditions, so we can open for 50 of 52 weeks every year. We offer an attractive swimming environment with balanced social interaction.

However, to give this great club a future beyond the current swim life of our current core membership group we need to find ways to find new members in so doing securing the future of this great club.

Meanwhile many of our swimmers achieved good success in the pool on Tuesday nights during year 2025-26. Below is a list of our major achievers.

2026 ANNUAL REPORT

Aside from our weekly Tuesday night swimming events, through 2025-26 we enjoyed high success at carnivals both externally as well as our own annual Shark Shield event. At our last October event we hosted more than 100 swimmers from six clubs. Our swimmers performed well in the pool and as well the night was both socially enjoyable with a positive financial return to the club.

In partnership with our Sunday morning RSL and Greys brothers we enjoyed another successful partnership at the Australian Imperial Forces (AIF) carnival held in March at the Nelson Bay Aquatic Centre. Again, highly successful in the pool and as well enjoying the social bonding opportunity with our RSL brothers. We look forward to the next AIF carnival to be held in March '27 at Grafton.

Other external carnivals we competed in were those hosted by Kurranulla Swimming Club, Maroubra Seals, the Winter Weakies and as well our own Cronulla RSL Diggers Shield carnival at Gunnamatta Baths. Sharks Swimming, always participating in carnivals and always competitive.

Finally, on behalf of all RSL Sharks members I thank the RSL Memorial Club Board and RSL Swimming Club Executive for their ongoing encouragement and support. We look forward to another successful year in 2026-27.

2026 ANNUAL REPORT

Gunnamatta Greys Report

Greys the open water distance swimming division of Cronulla RSL Swimming Club.

Summer saw 1360 athletes compete over 45 swim days for an average of 30 competitors per swim.

Winter gave us poor conditions bringing our competing athletes down to 565 over 35 swims for an average of 16 competitors per swim. Luckily Cronulla RSL Club provided a wonderful sanctuary to warm up and by some small miracle our numbers doubled with Club members who couldn't face the conditions but could still enjoy the coffee.

2026 ANNUAL REPORT

Winter Swimming

Our first swim for winter season was enjoyable with sunny skies and 21 eager swimmers.

On 25th May, 18 swimmers travelled to Bulli to compete. The pool was delightful to swim in but walking along edge of pool on the small shells to get to starting lanes was a challenge for us tenderfoots. The following people advanced to 50metre final: Yasmin, Carrol, Maureen, Steve H, John H, Anthony, David B. The winner who brought home a trophy was David Bryan. The Bulli club's hospitality after the swim was much appreciated.

On 8th June, 12 swimmers attended Mahon Pool at Maroubra to compete against Maroubra Seals. The day was windy and the surf had big sets of waves coming over the edge of pool. The organisers tried to have the race events between the big sets of waves that crashed into pool. Unfortunately not all events went to plan as a couple of our swimmers were washed up onto side of pool and nearly into sea. Cuts and abrasions were tended to. Needless, to say no one swam to their times.

I wonder how many swimmers will brave a return swim next year on 2nd August?

On 29th June, 12 swimmers had a scenic drive to Coalcliff Pool to swim against The Stanwell Park Sea Eels.

As usual the club put on another perfect winter swim day at pool and their friendship and hospitality was exceptional. Unfortunately we lost the relay trophy to them, but we will endeavour to win it back next year.

On 3rd August, our winter swim club visited the Kurnell Baths for a swim. The sun was out and the water was delightful to swim in. Following the swim, 50 swimmers and partners enjoyed a very delicious Chinese banquet at the Kurnell Recreation Club. We also celebrated birthdays and OBE special birthdays.

The 2025 winter swim season at Cronulla beach was testy at times due to big surf, dangerous currents in ocean, windy conditions. We had to swim in rock pool for those days which proved to be very enjoyable.

We averaged 16 to 26 swimmers for the season.

At the end of season we all enjoyed a breakfast banquet presentation at Rydges.

Thank you Ross for doing books for me while Bernard and I enjoyed a holiday to Alaska and Canada. A big thank you to the people that time keep as these winter swims would not go ahead without your generous time.

It is appreciated that you all get out from under your nice warm doona's to come and have a winter swim.

Handicappers Report

What a fantastic start for the handicapper in our 2025-26 Summer season.

The bribes came in thick & fast but to no avail as is keeping with Australian social swimming rules we kept our swims clean & clear of any misconduct.

Not only was the handicapper looking for improvement this year but also consistency in attendance & general all round sportsmanship.

Poor weather did hamper the number of swims for the handicapper from time to time however it was impressive to note that a number of swimmers finished the season on a high note – that being reducing their season commencement handicap time even further – a terrific achievement.

Just to name a few: - Anthony Picone reduced his 200mts time by 8 seconds.

Joan Harper's consistency saw her better her 100mt time by 7 seconds.

Kylie Mulholland & Todd Coulson both reduced their 50mt times by 5 seconds each. – something in the water maybe.

And in the 400mts only one person achieved this impressive accolade – & that is Kylie Coulsen, reducing her time by 2 seconds – a difficult feat in the 400mts.

Congratulations to everyone in maintaining the spirit of camaraderie within all events as we are not swimming for sheep stations, we swim for our wellbeing & the next swim day.

So it gives me great pleasure to announce that Barbara Clarke is the most improved swimmer of our 2025-26 Cronulla RSL Sunday swimming season.

Congratulations Barbara.

Steve Harper – RSL Sunday Swim Handicapper

2026 ANNUAL REPORT

Social Secretary Report

FROM THE PLATE.

The barbeque angel once again came to the fore and stepped up to the plate and unselfishly helped me on Sunday mornings. Jenny is awesome. Many thanks to you for your help throughout the season. Joyce, ever reliable, picking up the bread from our sponsor, Cronulla Bakers Delight, every morning. The club and I thank you immensely.

The Diggers Shield night was once again very well attended with about 90 swimmers attending on the night. Jenny was amazing helping with the BBQ cooking the onions and sausages then heading home to make it before nightfall. Ann once again provided the “mushy peas” which were much appreciated. A visit from the Floating Flamingos with eleven swimmers was a first for our club. We were “tickled pink” with the outcome.

I need to thank all the BBQ putterouters and putterinners each Sunday along with those who assist with tidying up at the day’s end. Also special thanks to Ann and Sandy who complete the day washing up and cleaning up the kitchen.

THANK YOU
GOLDEN TONGS
